**MOTION FOR SECOND
CONTINUANCE**

Docket No. 2011 - 015

Cause No. 173-25

Pursuant to Utah Admin. Code Rule R641-105-300, Kerr-McGee Oil & Gas Onshore LP ("KMG"), by and through its counsel of record, Beatty & Wozniak, P.C., hereby respectfully requests the Board of Oil, Gas and Mining (the "Board") to continue the hearing on this Cause from September 29, 2011 to October 26, 2011. As stated in Paragraph 8 of KMG's Request for Agency Action on file in this Cause (the "RAA"), if formal approval of the Natural Buttes Unit Expansion (which is the subject of this Cause) was not received by the Bureau of Land Management ("BLM") by the time of the scheduled Board hearing, KMG would request a continuance until such approval was obtained. On August 24, 2011, the Board granted KMG a continuance to the September 29, 2011 Board hearing because the BLM indicated it would not be in a position to approve the Expansion by the August 24, 2011 hearing date. As of the date of the filing

of this Motion, the BLM still has not yet approved the Expansion. Thus, in order to allow additional adequate time for the BLM to approve the Expansion and to insure no additional regulatory compliance issues arise which would prohibit the granting of the RAA, KMG respectfully requests a second continuance at the hearing on this Cause until October 26, 2011, the date of the Board's next regularly scheduled hearing.

Respectfully submitted this 12th day of September, 2011.

BEATTY & WOZNIAK, P.C.
